

Recovery Ritual - OEM partnership proposal for boutique and luxury hotels

RECOVER LIKE YOU MEAN IT

Introduction

Brief business overview

Cults makes functional gummies for modern travelers who want recovery and deeper sleep without clinical wellness theater.

Vision statement

Be the in-room recovery ritual guests trust when sleep quality and energy start to drop.

Mission statement

Place one honest, effective pouch in every room that needs a reset.

What's in the pouch

Deep Sleep: reishi + ashwagandha + magnesium + passionflower + l-theanine

Recovery: cordyceps + tart cherry + turmeric + mangosteen

No powders. No capsules. Just one premium pouch.

Who we are

Cults is a Thai functional gummy brand for guests who want recovery without friction. For hotels, that becomes a modern amenity guests use and remember.

Best-fit guest moments

- First night post-flight
- Post-gym or spa recovery
- Wind-down after late dinner
- Early call-time reset

Boutique city hotel

Amenity drawer, turn-down tray

Wellness resort

Spa gift shop, retreat welcome kit

Business hotel

Executive floor minibar

Private villa

Welcome hamper, concierge upsell

Market opportunity

Sleep tourism is now one of the strongest growth narratives in premium hospitality, and hotels need amenities that feel modern, useful, and easy to implement.

Why Cults fits now

- Better than generic minibar clutter
- Premium, photogenic, and guest-friendly
- Crafted in Thailand with transparent ingredients

\$369B

global luxury hotel market by 2032

9%

growth in wellness ritual demand

23%

guests value personalized amenities

One SKU. One story. One premium touchpoint.

Target hotel partners

Primary

Boutique and lifestyle hotels in Bangkok, Phuket, Chiang Mai, Koh Samui

Wellness resorts and spa retreats

Independent luxury properties with fast procurement

Secondary

International chain wellness floors

Private villas and estate management

Corporate retreat gifting and delegate kits

The guest they're serving

Long-haul arrivals, wellness-forward travelers, busy executives, and social travelers who need better sleep and recovery in a format that feels premium.

Our value to the market

The first true recovery amenity for modern Thailand hospitality.

Low-cost, high-value

Premium feel, efficient unit economics.

Effortless ritual

No prep. Tear, eat, sleep.

Real ingredients

Transparent, credible formulation.

Our value to you

1. Guest experience upgrade

A recovery ritual that guests actually use.

2. Low cost, high perceived value

Feels premium while staying operationally simple.

3. A story your team can tell

Places your property inside sleep-tourism momentum.

OEM program

Private label / co-brand options + low minimums + flexible fulfillment.

Marketing support

Where to find Cults

Partner-hotel discovery posts and booking-page referrals.

In-room QR, post-stay flywheel

QR links the guest to your story and reorder journey.

Always-on content

Founder-led social and creator content around real stays.

Marketing approach

Acquisition: social + hospitality media + hotel group intros

Engagement: in-room QR and UGC touchpoints

Repurchase: direct reorder path with referral logic

Pilot rollout and commercial model

Phase 1

30-day pilot
2-3 room categories
100-300 pouches

Phase 2

90-day scale
Full property rollout
Monthly optimization

Commercial

OEM or co-brand
Low MOQ
Protected margin

Target outcome: one Cults pouch in every room that needs better recovery and deeper sleep.

Be the first hotel to put deep sleep in every room

Join the recovery movement with one honest pouch guests remember.
